RE: Surplus Property

Dear Sirs:

INET respectfully requests to surplus property. It was determined that the below item can be deemed surplus. The item was purchased in 2008 and has outdated technology and is no longer useful. The item was originally purchased from LEA Corporation for INET use. LEA Corporation has agreed to take the item as trade-in and issue INET store credit in the amount of \$495.00. This credit will be used to replace the surplus equipment with a newer piece of surveillance equipment with updated technology.

Asset ID	Description	Class	Acquisition cost	Location	Serial #	Current Value
102820	Body Wire & equipment	INET Drug Tools	15,382.84	INET	No serial #	Trade-in

Sincerely,
